#### **DIRECTORS**

The directors who served the company during the year were as follows:

G W M Zonneveld - Stam

Miss J van den Akker (Appointed 21 May 2008) Mr H Goos (Resigned 21 May 2008)

#### **DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

## THE DIRECTORS' REPORT (continued)

#### YEAR ENDED 31 DECEMBER 2008

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- there is no relevant audit information of which the company's auditor is unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

## INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF ADCE INTER - SERVICES LIMITED

#### YEAR ENDED 31 DECEMBER 2008

We have audited the financial statements of ADCE Inter - Services Limited for the year ended 31 December 2008, which have been prepared on the basis of the accounting policies set out on pages 7 to 9.

This report is made solely to the company's shareholders, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

#### RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITOR

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

#### **BASIS OF AUDIT OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements,

#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED 31 DECEMBER 2008

#### 1. ACCOUNTING POLICIES

#### Basis of accounting

The financial statements have been prepared under the historical cost convention.

#### Cash flow statement

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from including a cash flow statement in the financial statements on the grounds that the company is small.

#### Turnover

In respect of contracts for on-going services, turnover is recognised as the services are performed and is stated net of VAT.

#### Fixed assets

All fixed assets are initially recorded at cost.

#### Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Fixtures, Fittings and Equipment -

20%-100% straight line

Tenants Improvements

10% straight line

#### Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

#### Pension costs

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.

## NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED 31 DECEMBER 2008

#### 1. ACCOUNTING POLICIES (continued)

#### Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold;

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

#### Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

#### Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

#### Trade and other debtors

Trade and other debtors are recognised and carried forward at invoiced amounts less provisions for any doubtful debts. Bad debts are written off when identified.

### Cash and cash equivalents

Cash and cash equivalents are included in the balance sheet at cost. Cash and cash equivalents comprise cash at bank and in hand and short term deposits.

## NOTES TO THE FINANCIAL STATEMENTS

### YEAR ENDED 31 DECEMBER 2008

## 1. ACCOUNTING POLICIES (continued)

Interest-bearing loans and borrowings

All loans and borrowings are recognised initially at cost, which is the fair value of the consideration received.

After initial recognition, interest-bearing loans and borrowings are measured at amortised cost using the effective interest method. Gains or losses are recognised in the profit and loss account when liabilities are derecognised or impaired, as well as through the amortisation process.

#### 2. TURNOVER

The turnover and profit before tax are attributable to the one principal activity of the company. An analysis of turnover is given below:

## 13. PENSIONS

The company operates a defined contribution pension scheme on behalf of its employees. The assets of the scheme are held separately from those of the company in an independently administered fund. Contributions are paid based upon the recommendations of a qualified actuary. The annual commitment under this scheme is for contributions of £3,912 (2007 - £7,777). There were no contributions prepaid or outstanding at the year end.

## NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED 31 DECEMBER 2008

#### 14. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The company holds or issues financial instruments in order to achieve three main objectives, being:

- (a) to finance its operations;
- (b) to manage its exposure to interest and currency risks arising from its operations and from its sources of finance; and
- (c) for trading purposes.

In addition, various financial instruments (e.g. trade debtors, trade creditors, accruals and prepayments) arise directly from the company's operations.

Transactions in financial instruments result in the company assuming or transferring to another party one or more of the financial risks described below.

#### Interest rate risk

The following table sets out the carrying amounts by repricing/maturity dates and effective interest rates (when applicable) of the company's financial instruments that are exposed to interest rate risk:

Year ended	Effective		ľ	More than 5	
31 December 2008	interest rate 1 y	ear or less	1-5 years	years	Total
	%	£	£	£	£

#### Credit risk

The company monitors credit risk closely and considers that its current policies of credit checks meets its objectives of managing exposure to credit risk.

The company has no significant concentrations of credit risk. Amounts shown in the balance sheet best represent the maximum credit risk exposure in the event other parties fail to perform their obligations under financial instruments.

#### Liquidity risk

The company's aim is to maintain a balance between continuity of funding and flexibility through maintaining a sustainable level of external borrowings. Constant monitoring of the company's position allow the directors to anticipate if and when funds will be required.
