DIRECTORS' REPORT

For the year ended 31 December 2009

BOOKS OF ACCOUNTS

The directors are responsible for ensuring that proper books and accounting records, as outlined in Section 202 of the Companies Act, 1990 are kept by the company. To achieve this, the directors have appointed an experienced financial controller who reports to the board and ensures that the requirements of Section 202 of the Companies Act, 1990 are complied with.

Those books and accounting records are maintained at Statoil (U K), 1 Kingdom Street, London, W2 6BD, United Kingdom.

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The directors are responsible for preparing the financial statements in accordance with applicable Irish law and Generally Accepted Accounting Practice in Ireland including the accounting standards issued by the Accounting Standard Board and promulgated by the Institute of Chartered Accountants in Ireland.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper books of account that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Acts 1963 to 2009. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

Ernst & Young, Chartered Accountants, will continue in office in accordance with Section 160(2) of the Companies Act, 1963.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ARAN ENERGY PLC

We have audited the company's financial statements of Aran Energy Plc for the year ended 31 December 2009, which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 13. These financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 193 of the Companies Act, 1990. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for the preparation of the financial statements in accordance with applicable Irish law and Accounting Standards issued by the Accounting Standards Board and promulgated by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland) as set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Acts, 1963 to 2009. We also report to you our opinion as to whether proper books of account have been kept by the company, whether, at the balance sheet date, there exists a financial situation which may require the convening of an extraordinary general meeting of the company, and whether the information given in the Directors' Report is consistent with the financial statements. In addition, we state whether we have obtained all the information and explanations necessary for the purposes of our audit and whether the financial statements are in agreement with the books of account.

We also report to you if, in our opinion, any information specified by law regarding directors' remuneration and other transactions is not disclosed and, where practicable, include such information in our report.

We read the Directors' Report and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
ARAN ENERGY PLC**

Opinion

In our opinion the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of affairs of the company as at 31 December 2009 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Acts, 1963 to 2009

We have obtained all the information and explanations we consider necessary for the purposes of our audit. In our opinion proper books of account have been kept by the company. The financial statements are in agreement with the books of account.

In our opinion the information given in the Directors' Report is consistent with the financial statements.

In our opinion, the balance sheet does not disclose a financial situation which under section 40(1) of the Companies (Amendment) Act, 1983 would require the convening of an extraordinary general meeting of the company.

NOTES TO THE FINANCIAL STATEMENTS

31 December 2009

1. ACCOUNTING POLICIES

Accounting convention

The accounts are prepared under the historical cost convention

Basis of preparation

The directors intend to liquidate the company in the future. Consequently, the financial statements have been prepared on the break-up basis rather than on the going concern basis. The break-up basis adopted results in assets held by the company at the year end being recorded at their estimated realisable values and liabilities due at the year end at amounts at which they will ultimately be settled. This did not cause any adjustment from the book amounts.

Cash flow statement

Under the provisions of Financial Reporting Standard No 1 (Revised 1996), the company has not prepared a cash flow statement because its ultimate parent undertaking, Statoil ASA, which is incorporated in Norway, has prepared group accounts which include the results of the company for the period and which are publicly available.

Group financial statements

These accounts present information about the company as an individual undertaking and not about its group.

The company is exempt from the obligation to draw up group financial statements under Regulation 8 of the European Communities (Companies Group Accounts) Regulations, 1992 and details of its parent undertaking, in whose group financial statements it is included, are given in note 12.

Foreign currencies

Transactions in foreign currencies are initially recorded in the functional currency by applying the spot exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

2. STATUTORY AND OTHER INFORMATION

8. FINANCIAL INSTRUMENTS

TREASURY POLICIES

Foreign currency risk

The company has financial assets and liabilities denominated in currencies other than sterling. These balances are a very small proportion of the company's assets and liabilities and therefore the foreign currency risk is considered to be low.

Credit risk

The company's financial assets are almost exclusively due from its parent company. Therefore the risk of financial loss due to a counterparty's failure to honour its obligations is considered to be very low.

Interest rate risk

The company's financial liabilities and assets are almost exclusively due to and from its parent company with a zero interest rate. Therefore the company is not exposed to interest rate risk.

Liquidity risk

As the company has ceased trading it has no income to pay liabilities to third parties. Any third party liabilities which become due will be paid by the company by reducing its intercompany receivable balance with its immediate parent to generate the required funds.

11. RELATED PARTY TRANSACTIONS

The company has taken advantage of the exemption supplied by Financial Reporting Standard No 8 from disclosing transactions with other group members qualifying as related parties. Consolidated financial statements in which the company is included are publicly available. There were no other related party transactions.

12. PARENT UNDERTAKING

The immediate controlling party and parent undertaking is Statoil (U K) Limited, a company incorporated in the United Kingdom. Copies of its financial statements are available from Statoil (U K), 1 Kingdom Street, London, W2 6BD, United Kingdom.

The ultimate parent undertaking and parent undertaking of the largest group of undertakings for which group financial statements are drawn up, and of which the company is a member, is Statoil ASA, incorporated in Norway. Copies of the group financial statements of Statoil ASA, are available from Statoil (U K) Limited at the above address.

The ultimate controlling party is the Norwegian government.

13. FINANCIAL STATEMENTS APPROVAL

The financial statements were approved and authorised by the directors for issue on the 30th of September 2010.
