**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 MARCH 2012**

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The directors intend to continue to finance the company for the foreseeable future and on this basis the directors consider it appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustment that would result from a withdrawal of financial support.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax.

Where services are invoiced for a period extending beyond the year end, such amounts are carried forward to be included in the profit and loss account of the period to which they relate.

Consideration has been given to Application Note G of FRS 5 whereby contracts entered into at the balance sheet date have been recognised as income. Income recognised in this manner is based on the directors' assessment of the fair value of the services provided at the balance sheet date as a proportion of the total value of the contract.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Short leasehold	- in accordance with the property
Fixtures and fittings	- 25% straight line
Computer equipment	- 25% straight line

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. Deferred tax assets are recognised to the extent that they are regarded as recoverable.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.
