Andrew S. Clark & Company Limited

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act, 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

For the year ending 31 December 2012 the company was entitled to exemption from audit under section 480 of the Companies Act 2006 relating to dormant companies.

Directors' responsibilities:

- the members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476,
- the directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and in preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime

Andrew S. Clark & Company Limited

Statement of accounting policies

for the year ended 31 December 2012

Basis of preparation

The financial statements have been prepared in accordance with generally accepted accounting principles and in accordance with the historical cost convention, and comply with financial reporting standards of the Accounting Standards Board, as promulgated by the Institute of Chartered Accountants in Scotland.

Group accounts

The company is exempt from the obligation to prepare Group accounts as it is itself a subsidiary undertaking of a company established in a member state of the EU, which prepares Group accounts. Consequently these accounts present information about the company as an individual entity and not its Group.

Taxation

Corporation tax is calculated based on the taxable profits for the year. Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more, or a right to pay less tax in the future have occurred at the balance sheet date, with the following exceptions:

- provision is made for gains on disposal of fixed assets that have been rolled over into replacement assets only where, at the balance sheet date, there is a commitment to dispose of the replacement assets.
- deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted.

Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Andrew S. Clark & Company Limited

Profit and loss account

for the year ended 31 December 2012

During the current and preceding financial year, the company has not traded and has received no income and incurred no expenditure. Consequently, during these periods, the company has made neither a profit nor a loss. The opening and closing balances on the cumulative profit and loss account, accordingly, remain at £894,455. Additionally, the company had no other gains and losses nor any cash flows during these periods.
