### Notes to the Abbreviated Accounts

For the year ending 30 June 2013

#### 1 Accounting policies

##### Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

##### Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax. In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

##### Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

##### Fixed Assets

All fixed assets are initially recorded at cost.

##### Financial Instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

##### Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Motor Vehicles	20% Reducing balance
Office Equipment	0% Method for Equipment
