For the year ending 30 June 2016 the company was entitled to exemption under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

## Approved by the board on 22 July 2016 and signed on their behalf by

Mr. J. F. Curtis

Director

# NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2016

#### 1. ACCOUNTING POLICIES

#### 1a. Basis Of Accounting

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effectiveJanuary 2015).

#### 1b. Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Fixtures and Fittings reducing balance 15%

#### 1c. Investment Properties

Investment properties are included in the financial statements at open market value. Depreciation is provided only on those investment properties which are leasehold and where the unexpired lease term is less than 20 years.

Although this accounting policy is in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015), it is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated. In the opinion of the director, compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

#### 1d. Taxation

Corporation tax payable is provided on taxable profits at the current rates.

Provision is made for deferred taxation in so far as a liability or asset has arisen as a result of transactions that had occurred by the balance sheet date and have given rise to an obligation to pay more tax in the future, or the right to pay less tax in the future. An asset has not been recognised to the extent that the transfer of economic benefits in the future is uncertain. Deferred tax assets and liabilities recognised have not been discounted.

#### 1e. Turnover

Turnover represents rents receivable.

#### 1f. Revaluation Reserve

Surpluses or deficits arising on the revaluation of individual fixed assets are credited or debited to a non-distributible reserve known as the revaluation reserve.

Revaluation deficits in excess of the amount of prior revaluation surpluses on the same asset are charged to the profit and loss account.

## 2. TANGIBLE FIXED ASSETS

|   | Investment | Fixtures        |           |
|---|------------|-----------------|-----------|
|   | Properties | and<br>Fittings | Total     |
