1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Due to the nature of industry in which the company operates and with the continued support of the company's financial backers, the director considers it appropriate to prepare the accounts on the going concern basis. The accounts do not include any adjustments that would result from a withdrawal by the company's backers.

1.2 Compliance with accounting standards
