#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income

Statement, except to the extent that it relates to items recognised in other comprehensive

income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that

have been enacted or substantively enacted by the balance sheet date.

#### **Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not

reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in

periods different from those in which they are recognised in financial statements. Deferred

tax is measured using tax rates and laws that have been enacted or substantively

by the year end and that are expected to apply to the reversal of the timing difference.

#### Downloaded from Datalog http://www.datalog.co.uk

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it

is probable that they will be recovered against the reversal of deferred tax liabilities or other

future taxable profits.
