**Report of the Accountant to the Director of
Murray & Co Consulting Limited**

The following reproduces the text of the report prepared for the director in respect of the company's annual unaudited financial statements. In accordance with the Companies Act 2006, the company is only required to file a Balance Sheet. Readers are cautioned that the Income Statement and certain other primary statements and the Report of the Director are not required to be filed with the Registrar of Companies.

As described on the Balance Sheet you are responsible for the preparation of the financial statements for the year ended 31 March 2018 set out on pages nil to nil and you consider that the company is exempt from an audit.

In accordance with your instructions, I have compiled these unaudited financial statements in order to assist you to fulfil your statutory responsibilities, from the accounting records and information and explanations supplied to me.

This report is made to you in accordance with the terms of our engagement. The work we have undertaken has been so that we can compile these accounts, and report to you that we have done so, and to state those matters that we have agreed to state to you in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than you for our work, or for this report.

We have carried out this engagement in accordance with the new UK GAAP (the body of accounting standards and other guidance published by the UK's Financial Reporting Council) - being a new financial reporting framework in the UK effective for accounting periods beginning on or after 1 January 2015.

The UK's Financial Reporting Council (FRC) has published five standards which together form the basis of the new UK regime.

The former Financial Reporting Standard for Smaller Entities (FRSSE) has been withdrawn and small entities brought within the scope of Financial Reporting Standard 102 being the Financial Reporting Standard applicable in the UK and Republic of Ireland for accounting periods beginning on or after 1st January 2016 - and in particular Section 1A of FRS102, which sets out the presentation and disclosure requirements for small entities based on the new small companies regime within company law.

These accounts are intended to achieve full compliance with Section 1A of FRS102. There were no material departures from that standard. We have made choices, as available, under the Companies Act and FRS102 regarding presentation and requirements to make disclosures, as judged appropriate.

You have approved the accounts and have acknowledged your responsibility for that and for providing all information and explanations necessary for their compilation.

True and Fair View

The financial statements of a small entity shall give a true and fair view of the assets, liabilities, financial position and profit or loss of the small entity for the reporting period (FSR102 1A 1A.5) (Section 393 of the Companies Act)

As Reporting Accountants we are of the opinion and confirm that no further disclosures in addition to those set out are needed or necessary to enable these statements to give a true and fair view in order to comply with the requirement of paragraph 1A.5 (above); and also para 1A.16 (sufficient information) and 1A.17(material transaction(s))

We have not undertaken an Audit.
