**FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 MARCH 2019**

**LS CITY & WEST END LIMITED**

**DIRECTORS' REPORT  
FOR THE YEAR ENDED 31 MARCH 2019**

The directors of LS City & West End Limited (the 'Company') present their report and the audited financial statements for the year ended 31 March 2019.

**Directors' responsibilities statement**

The directors are responsible for preparing the Directors' Report and the audited financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare audited financial statements for each financial year. Under that law the directors have elected to prepare the audited financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the audited financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these audited financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the audited financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the audited financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Principal activity, review of the business and future developments**

The Company has continued its business of property investment in the United Kingdom. No changes in the Company's principal activity are anticipated in the foreseeable future.

**Results for the year and dividend**

The results are set out in the Statement of Comprehensive Income on page 5.

The directors do not recommend the payment of a dividend for the year ended 31 March 2019 (2018: £Nil).

**Post balance sheet events**

On 29 August 2019, the Company issued a £42,000,000 dividend to its immediate parent company, LS London Holdings One Limited.

**Directors**

The directors who held office during the year and up to the date of this report were:

Land Securities Management Services Limited  
LS Director Limited  
E Miles

**Indemnity**

The Company has made qualifying third party indemnity provisions for the benefit of the respective directors which were in place throughout the year and which remain in place at the date of this report.

**Small companies exemption**

The Directors' Report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

**Strategic report**

The Company has taken advantage of the exemption under s414B of the Companies Act 2006 not to prepare a Strategic Report.

**LS CITY & WEST END LIMITED**

**DIRECTORS' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2019**

**Statement of disclosure of information to auditor**

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LS CITY & WEST END LIMITED

### Opinion

We have audited the financial statements of LS City & West End Limited (the 'Company') for the year ended 31 March 2019 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 15, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such

material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LS CITY & WEST END LIMITED (CONTINUED)

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

### Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2019**

**1. Accounting policies**

**1.1 Basis of preparation**

The financial statements have been prepared on a going concern basis and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' (FRS 101) and the Companies Act 2006. The financial statements are prepared under the historical cost convention modified to include the revaluation of investment properties.

LS City & West End Limited (the 'Company') is a private company limited by shares and is incorporated, domiciled and registered in England and Wales (Registered number: 05257941). The nature of the Company's operations is set out in the Directors' Report on page 1. The results of the Company are included in the consolidated financial statements of Land Securities Group PLC which are available from the Company's registered office at 100 Victoria Street, London, SW1E 5JL.

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 March 2019. The financial statements are prepared in Pounds Sterling (£) and are rounded to the nearest thousand pounds (£000).

**1.2 Financial reporting standard 101 - reduced disclosure exemptions**

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 Financial Instruments: Disclosures
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1;
  - paragraph 73(e) of IAS 16 Property, Plant and Equipment;
  - paragraph 118(e) of IAS 38 Intangible Assets;
  - paragraphs 76 and 79(d) of IAS 40 Investment Property; and
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements
- the requirements of IAS 7 Statement of Cash Flows
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group,

provided that any subsidiary which is a party to the transaction is wholly owned by such a member  
the requirements of paragraphs 134(d)-134(f) and 135(c)-135(e) of IAS 36 Impairment of Assets.

The equivalent disclosures relating to IFRS 7, IFRS 13 & IAS 36 are included in the consolidated financial statements of Land Securities Group PLC, in which the entity is consolidated.

### 1.3 Investment properties

Investment properties are properties, either owned or leased by the Company, that are held either to earn rental income or for capital appreciation, or both. Investment properties are measured initially at cost including related transaction costs, and subsequently at fair value. Fair value is based on market value, as determined by a professional external valuer at each reporting date. The difference between the fair value of an investment property at the reporting date and its carrying amount prior to re-measurement is included in the Statement of Comprehensive Income as a valuation surplus or deficit. Investment properties are presented on the Balance Sheet within non-current assets.

Properties are treated as acquired when the Company assumes control of the property. Capital expenditure on properties consists of costs of a capital nature, including costs associated with developments and refurbishments. Where a property is being developed or undergoing major refurbishment, interest costs associated with direct expenditure on the property are capitalised. The interest capitalised is calculated using the Company's weighted average cost of borrowings. Interest is capitalised from the commencement of the development work until the date of practical completion. Certain internal staff and associated costs directly attributable to the management of major schemes are also capitalised.

When the Company begins to redevelop an existing investment property for continued future use as an investment property, the property continues to be held as an investment property. When the Company begins to redevelop an existing investment property with a view to sell, the property is transferred to trading properties and held as a current asset. The property is re-measured to fair value as at the date of the transfer with any gain or loss being taken to the Statement of Comprehensive Income. The re-measured amount becomes the deemed cost at which the property is then carried in trading properties.

Properties are treated as disposed when control of the property is transferred to the buyer. Typically, this will either occur on unconditional exchange or on completion. Where completion is expected to occur significantly after exchange, or where the Company continues to have significant outstanding obligations after exchange, the control will not usually transfer to the buyer until completion.

The profit on disposal is determined as the difference between the sales proceeds and the carrying amount of the asset at the beginning of the accounting period plus capital expenditure to the date of disposal. The profit on disposal of investment properties is presented separately on the face of the Statement of Comprehensive Income.

**LS CITY & WEST END LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2019**

**1. Accounting policies (continued)**

**1.4 Trade and other receivables**

Trade and other receivables are recognised initially at fair value, subsequently at amortised cost and, where relevant, adjusted for the time value of money. The Company assesses on a forward-looking basis, the expected credit losses associated with its trade receivables. A provision for impairment is made for the lifetime expected credit losses on initial recognition of the receivable. If collection is expected in more than one year, the balance is presented within non-current assets.

In determining the expected credit losses, the Company takes into account any recent payment behaviours and future expectations of likely default events (i.e. not making payment on the due date) based on individual customer credit ratings, actual or expected insolvency filings or company voluntary arrangements and market expectations and trends in the wider macro-economic environment in which our customers operate.

Trade and other receivables are written off once all avenues to recover the balances are exhausted and the lease has ended. Receivables written off are no longer subject to any enforcement activity.

**1.5 Provisions**

A provision is recognised in the Balance Sheet when the Company has a constructive or legal obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation. Where relevant, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

**1.6 Revenue**

Rental income, including fixed rental uplifts, is recognised in the Statement of Comprehensive Income on a straight-line basis over the term of the lease. Lease incentives being offered to occupiers to enter into a lease, such as an initial rent-free period or a cash contribution to fit out or similar costs, are an integral part of the net consideration for the use of the property and are therefore recognised on the same straight-line basis. Contingent rents, being lease payments that are not fixed at the inception of a lease, for example turnover rents, are variable consideration and are recorded as income in the year in which they are earned.

The Company's revenue from contracts with customers, as defined in IFRS 15 includes service charge income, other property related income, trading property sales proceeds and long-term development contract income.

Service charge income and management fees are recorded as income over time in the year in which the services are rendered. Revenue is recognised over time because the tenants benefit from the services as soon as they are rendered by the Company. The actual service provided during each reporting period is determined using cost incurred as the input method.

Other property related income includes development and asset management fees. These fees are recognised over time, using time elapsed as the input method which measures the benefit simultaneously received and consumed by the customer, over the period the development or asset management services are provided.

When property is let under a finance lease, the Company recognises a receivable equal to the net investment in the lease at inception of the lease. Rentals received are accounted for as repayments of principal and finance income as appropriate. Finance income is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining net investment in the finance lease and is recognised within revenue.

**1.7 Expenses**

Property and contract expenditure is expensed as incurred.

Rental payments made under an operating lease are recognised in the Statement of Comprehensive Income on a straight-line basis over the term of the lease. Lease incentives received are an integral part of the net consideration for the use of the property and also recognised on a straight-line basis.

**1.8 Impairment**

The carrying amounts of the Company's non-financial assets, other than investment properties, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised in the Statement of Comprehensive Income whenever the carrying amount of an asset exceeds its recoverable amount.

The recoverable amount of an asset is the greater of its fair value less costs to sell and its value in use. The value in use is determined as the net present value of the future cash flows expected to be derived from the asset, discounted using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount after the reversal does not exceed the amount that would have been determined, net of applicable depreciation, if no impairment loss had been recognised.

**LS CITY & WEST END LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2019**

**1. Accounting policies (continued)**

**1.9 Interest**

Interest is accounted for on an accruals basis.

**1.10 Income taxation**

Income tax on the profit or loss for the year comprises current tax. Current tax is the tax payable on the taxable income for the year and any adjustment in respect of previous years.

**1.11 Intercompany loans**

**Amounts owed to Group undertakings**

Amounts owed to Group undertakings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, amounts owed to Group undertakings are stated at amortised cost with any difference between the amount initially recognised and redemption value being recognised in the Statement of Comprehensive Income over the period of the loan, using the effective interest method.

**Amounts due from Group undertakings**

Amounts due from Group undertakings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, amounts due from Group undertakings are stated at amortised cost and, where relevant, adjusted for the time value of money. The Company assesses on a forward-looking basis, the expected credit losses associated with its amounts due from Group undertakings. A provision for impairment is made for the lifetime expected credit losses on initial recognition of the amounts due. If collection is expected in more than one year, the balance is presented within non-current assets.

In determining the expected credit losses, the Company takes into account any future expectations of likely default events based on the level of capitalisation of the counterparty, which is a fellow subsidiary undertaking of Land Securities Group PLC.

**1.12 Trade and other payables**

Trade and other payables with no stated interest rate and payable within one year are recorded at transaction price. Trade and other payables due after one year are discounted based on the amortised cost method using the effective interest rate.

**1.13 Dividends**

Final dividend distributions to the Company's shareholders are recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Company's shareholders. Interim dividends are recognised when paid.

**2. Changes in accounting policies and standards**

The accounting policies used in these financial statements are consistent with those applied in the last annual financial statements, as amended where relevant to reflect the adoption of new standards, amendments and interpretations which became effective in the year, the impact of which is outlined below.

**Changes in accounting policy**

The Company has adopted IFRS 9 Financial Instruments on 1 April 2018. While some accounting policies have been amended on adoption of the standard, there have been no adjustments to the Company's Statement of Comprehensive Income or Balance Sheet. The new accounting policies are set out in notes 1.4 and 1.11.

The Company has adopted IFRS 15 Revenue from Contracts with Customers on 1 April 2018. The Company has elected to apply the standard on a full retrospective basis as permitted by IFRS 15. While some accounting policies have been amended on adoption of the standard, there have been no adjustments to the Company's Statement of Comprehensive Income or Balance Sheet.

**Amendments to IFRS**

A number of new standards, amendments to standards and interpretations have been issued but are not yet effective for the Company. The most significant of these is IFRS 16 Leases (effective for the Company from 1 April 2019). Based on the impact assessment carried out, there are no changes expected as a result of the adoption of this standard. There will be no net impact on profit attributable to shareholders or the Company's Balance Sheet.

## LS CITY &amp; WEST END LIMITED

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2019

## 3. Significant accounting judgements and estimates

The Company's significant accounting policies are stated in note 1 above. Not all of these significant accounting policies require management to make difficult, subjective or complex judgements or estimates. The following is intended to provide an understanding of the policies that management consider critical because of the level of complexity, judgement or estimation involved in their application and their impact on the financial statements. These judgements involve assumptions or estimates in respect of future events. Actual results may differ from these estimates.

## Estimates

## (a) Investment property valuation

The Company uses the valuation performed by its external valuer, CBRE Limited, as the fair value of its investment properties.

The investment property valuation contains a number of assumptions upon which CBRE Limited has based its valuation of the Company's properties as at 31 March 2019. The assumptions on which the valuations have been based include, but are not limited to, matters such as the tenure and tenancy details for the properties, ground conditions at the properties, the structural condition of the properties, prevailing market yields and comparable market transactions. These assumptions are market standard and accord with the Royal Institution of Chartered Surveyors (RICS) Valuation – Professional Standards UK 2014 (revised April 2015). However, if any assumptions made by the property valuer prove to be false, this may mean that the value of the Company's properties differs from their valuation, which could have a material effect on the Company's financial condition.

## (b) Trade and other receivables

The Company is required to judge when there is sufficient objective evidence to require the impairment of individual trade receivables. It does this by assessing on a forward-looking basis, the expected credit losses associated with its trade receivables. A provision for impairment is made for the lifetime expected credit losses on initial recognition of the receivable. In determining the expected credit losses, the Company takes into account any recent payment behaviours and future expectations of likely default events (i.e. not making payment on the due date) based on individual customer credit ratings, actual or expected insolvency filings or company voluntary arrangements and market expectations and trends in the wider macro-economic environment in which our customers operate. These assessments are made on a customer by customer basis.

## (c) Amounts due from Group undertakings

The Company is required to judge when there is sufficient objective evidence to require the impairment of amounts due from Group undertakings. It does this by assessing on a forward-looking basis, the expected credit losses associated with its amounts due from Group undertakings. A provision for impairment is made for the lifetime expected credit losses on initial recognition of the amounts due. In determining the expected credit losses, the Company takes into account any future expectations of likely default events based on the level of capitalisation of the counterparty, which is a fellow subsidiary undertaking of Land Securities Group PLC.

## 4. Revenue and costs

## LS CITY &amp; WEST END LIMITED

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2019

## 7. Income tax (continued)

## Factors affecting tax charge for the year

The tax assessed for the year is lower than (2018 - lower than) the standard rate of corporation tax in the UK of 19% (2018 - 19%). The differences are explained below:

	2019 £000	2018 £000
Profit before tax	<u>7,664</u>	<u>12,625</u>
Profit before tax multiplied by UK corporation tax rate	1,456	2,399
<b>Effects of:</b>		
Exempt property rental profits in the year	(1,394)	(1,245)
Exempt property revaluation surplus in the year	(52)	(1,154)
<b>Total tax charge in the Statement of Comprehensive Income (as above)</b>	<u>10</u>	<u>-</u>

Land Securities Group PLC is a Real Estate Investment Trust (REIT). As a result, the Company does not pay UK corporation tax on the profits and gains from qualifying rental business in the UK provided it meets certain conditions. Non-qualifying profits and gains of the Company continue to be subject to corporation tax as normal.
