The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2020 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

ensuring that the company keeps accounting records which comply with Sections 386 and 387

- (a) of the Companies
 - Act 2006 and
 - preparing financial statements which give a true and fair view of the state of affairs of the company as at the end
- of each financial year and of its profit or loss for each financial year in accordance with the (b) requirements of
 - Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to
 - financial statements, so far as applicable to the company.

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 16 April 2020 and were signed on its behalf by:

Mr S R Winn - Director

Notes to the Financial Statements for the Year Ended 31 March 2020

1. STATUTORY INFORMATION

TS Foundry Ltd is a private company, limited by shares, registered in England and Wales. The company's

registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The Directors have prepared the accounts on a going concern basis. At the year end the company had net

current liabilities of £68,300 (2019: £138,370). The Directors believe the going concern basis is appropriate as

the company will continue to receive support from its parent company.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates,

value added tax and other sales taxes.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of intangible business assets in 2013, will be

depreciated over 10 years and is reviewed annually by the Directors for impairment.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost

less any accumulated amortisation and any accumulated impairment losses.

Patents and licences are being amortised evenly over their estimated useful life of ten years.

Computer software is being amortised evenly over its estimated useful life of ten years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Leasehold Improvements - 25% on cost

Plant and machinery - 10 - 25% on reducing balance

Equipment - 25% on cost Computer equipment - 25% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and ...

slow moving items.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to

the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or

substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Downloaded from www.datalog.co.uk

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from

those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws

that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal

of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they

will be recovered against the reversal of defeated tax liabilities or other future taxable prioritied...

Notes to the Financial Statements - continued for the Year Ended 31 March 2020

2. ACCOUNTING POLICIES - continued

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the

balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling

at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those

held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance

leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element

Other

of the future payments is treated as a liability.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 10 (2019 - 12).
